EDUCATION

2028 Doctor of Philosophy in Social Work
 (anticipated) School of Social Work, The University of Texas at Austin

Graduate Portfolio in Asian American Studies

Graduate Portfolio in Ethical AI

Stackable Certificate in Sociology: Demography

2024 Master of Philosophy in Social Work and Social Administration
 The University of Hong Kong

2020 Bachelor of Social Science in Sociology, *First Class Honors*
 The Chinese University of Hong Kong

GRANTS & FUNDING

Ongoing

2025 **Moritz Center for Societal Impact (\$5,000)**
 Cultural healing through story, song, and symbol: Exploring arts-based pathways to behavioral health among Asian communities
 Role: *Principal Investigator*

2025 **Health Communication Scholars Program (\$2,500)**
 Exploring digital health literacy and utilization among Asian and Asian Americans
 Role: *Principal Investigator*

2024 **St. David's CHPR (\$25,000)**
 Understanding the primary healthcare needs of Asian and Asian Americans in Austin
 Role: *Research Coordinator*
 PI: Shetal Vohra-Gupta, PhD

RESEARCH INTERESTS

Topic Social and health policies, social and cultural determinants, digital health

Population Immigrants, refugees, racial/ethnic minorities, Asian Americans

Method Mixed methods, causal inference, policy evaluation, data science

Political Readings Series, co-organized by Tsinghua University, Zhejiang University, and Tongji University. July 2022

RESEARCH EXPERIENCE

- The University of Texas at Austin** **Austin, TX**
Cultural Healing through Story, Song, and Symbol 10/2025 – Present
 Principal Investigator
 - Design and launch a community-engaged study to examine culturally grounded healing practices and behavioral health outcomes among Asian communities.
 - Secure competitive funding and develop project budget, timeline, and deliverables.
 - Partner with community organizations to ensure cultural and contextual relevance.
 - Lead qualitative data collection and analysis to document arts-based strategies for emotional and behavioral well-being.

- Digital Health Literacy and Utilization** 03/2025 – Present
 Principal Investigator, Co-PI: Hannah Kim (Communication)
 - Secure funding and lead full-cycle research project from conception to dissemination.
 - Design study framework, instruments, and sampling strategy tailored to digital health.
 - Conduct targeted focus groups assessing technology adoption, barriers, and facilitators.
 - Direct data analysis to inform culturally responsive digital health interventions.

<i>Asian Health Assessment</i>	01/2025 – Present
Research Coordinator & Project Manager, PI: Dr. Shetal Vohra-Gupta	
<ul style="list-style-type: none"> • Design research protocol and coordinated with multicultural research team. • Built and sustained partnerships with community organizations to ensure cultural relevance. • Oversaw focus group facilitation, survey deployment, data management, and analysis. • Managed evaluation, reporting, and dissemination to academic and community audiences. 	
<i>Latino Well-Being Study</i>	10/2024 – 08/2025
Research Assistant, PI: Dr. Miguel Pinedo (Health Education & Kinesiology)	
<ul style="list-style-type: none"> • Coordinated national survey data collection and quality control for a Latino well-being study. • Conducted data cleaning, management, and preliminary statistical analyses. • Examined relationships between immigration policy contexts and long-term well-being. 	
<i>People's Community Clinic Project</i>	09/2024 – 10/2025
Research Assistant, PI: Dr. Shetal Vohra-Gupta	
<ul style="list-style-type: none"> • Conducted exploratory factor analysis (EFA) and confirmatory factor analysis (CFA). • Analyzed interview data to identify social and health needs for screening tool development. • Reviewed relevant literature and prepared working drafts for multiple manuscripts. 	
<i>Cultural Determinants of Health among Asian Americans</i>	09/2024 – 05/2025
Research Assistant, PI: Dr. Shetal Vohra-Gupta	
<ul style="list-style-type: none"> • Conducted literature review to support a systematic review on cultural determinants of health. • Supported NIH proposal development and funding applications. • Performed critical analyses of immigration policy for academic manuscripts. 	
<i>Health Optimization and Program Engagement (HOPE) Lab</i>	09/2024 – 05/2025
Research Assistant, PI: Dr. Fiona Conway	
<ul style="list-style-type: none"> • Managed and analyzed data for a pilot digital health intervention study, applying quantitative and qualitative methods to assess feasibility and outcomes. • Oversaw lab operations, coordinated data collection, and maintained project documentation. • Updated research outputs and disseminated findings through lab communication channels. 	
The University of Hong Kong (HKU)	Hong Kong
<i>Immigrant Political Incorporation</i>	06/2023 – 08/2024
Project Investigator	
<ul style="list-style-type: none"> • Conducted in-depth interviews with NGOs to understand strategic organizational approaches. • Implemented program evaluations of NGO initiatives concerning immigrants. • Authored and discussed the resulting research paper at international conferences. 	

<i>The Integration of International High-skilled Immigrants</i>	04/2022 – 08/2024
Project Investigator	
<ul style="list-style-type: none"> • Conducted interviews and ethnographic research to document experiences of immigrants. • Collected and analyzed national policy data to examine the macro policy environment. • Composed and presented research findings at various international conferences. 	
<i>Child Health and Migrant Parents in South-East Asia (CHEMAPSEA)</i>	11/2020 – 08/2021
Research Assistant, PI: Dr. Lucy Porter Jordan	
<ul style="list-style-type: none"> • Managed and analyzed data for migration and family studies in Southeast Asian countries. • Assisted in the preparation of grant applications and progress reports. • Facilitated the preparation of research manuscripts and disseminated research results. 	
<i>A Sequential Qualitative Study: Social Identity of South Asians</i>	06/2020 – 10/2020
Research Assistant, PI: Dr. Paul Wong	
<ul style="list-style-type: none"> • Compiled over 1,000 articles for literature search and systematic review. • Conducted focus group discussions with immigrants from South Asian countries. • Interviewed immigrants to investigate identification and belongingness. 	
The Chinese University of Hong Kong (CUHK)	Hong Kong
<i>Genes, Social Environment and Psychoactive Drug Addiction</i>	08/2018 – 01/2019
Research Assistant, PI: Dr. Hua Sara Zhong	
<ul style="list-style-type: none"> • Conducted 500+ questionnaire surveys and managed data from drug rehabilitation centers. • Constructed database and analyzed data to explore social determinants and drug use. • Supported the development of academic articles, reports, and conference presentations. 	

TEACHING

Teaching Interests

Substantive Courses

Human Behavior & Social Environment
Social Policy & Social Welfare
Social Work with Immigrants & Refugees
Community Engagement

Methods Courses

Social Work Research Methods
Statistics for Applied Social Science Research
Social Policy Analysis
Computational Social Research Methods

Teaching Assistantships

The University of Texas at Austin

<i>SW 382 Social Policy Analysis and Social Problems</i> (Graduate)	Spring 2025

Fall 2017

Selected Guest Lectures

- 9 **Policy in Practice: From Global Health Programming to Humanitarian Response in the UN System**
School of Social Work, The University of Texas at Austin. November 2025
- 8 **Migration & Development: A Global Perspective**
Department of Social Work & Social Administration, The University of Hong Kong. October 2025
- 7 **Systematic Review & Meta-Analysis for Social Work**
School of Social Work, The University of Texas at Austin. October 2025
- 6 **Immigration Policy: Causes and Consequences**
School of Social Work, The University of Texas at Austin. April 2025
- 5 **Mapping Global Health Integration Policy: Patterns and Drivers**
School of Social Work, The University of Texas at Austin. September 2024
- 4 **Migration and Development**
Department of Social Work & Social Administration, The University of Hong Kong. February 2024
- 3 **Intermediate Data Analysis: Using Multinomial Regression in Migration Research**
Department of Sociology, University of Toronto. August 2023
- 2 **Research Design in Social Science: The Case of Migration in Asia**
Zhou Enlai School of Government, Nankai University. April 2023
- 1 **Sociological Theory of Arts and Sociological Analysis**
Design School, Central Academy of Fine Arts. April 2022

PROFESSIONAL EXPERIENCE**International Organization for Migration (IOM), UN Migration****Bangkok, Thailand*****Regional Migration Health Support Officer***

02/2024 – 07/2024

- Assisted health projects in development and humanitarian settings across 40 countries.
- Supported all facets of health programming to eliminate health disparities among migrants.
- Crafted operational guidelines for gender mainstreaming in health programming.
- Fostered strategic alliances with key international and regional entities.

Regional Migration Health Consultant 09/2023 – 01/2024

- Supported a regional project including a policy framework and regional dialogues coordination.
- Contributed to the capacity building of IOM staff and external partners.
- Developed resources on migration health to support knowledge dissemination.

Regional Migration Health Intern 02/2023 – 08/2023

- Collected and systematically analyzed information on migration health across countries.
- Developed quality concept papers, presentations, information sheets, and policy frameworks.
- Conducted donor mapping and market analysis for migrant health and insurance schemes.

The University of Hong Kong (HKU) Hong Kong
Fieldwork Coordinator 11/2020 – 08/2021

- Liaised with immigrant-serving NGOs to facilitate the examination of labor force participation.
- Constructed a database to compare labor force participation among immigrant populations.
- Consolidated labor policies in global cities to advocate policy reforms.

AWARDS, HONORS & FELLOWSHIPS

- 2025 **Stephen Joseph Tripodi Endowed Excellence Scholarship (2025-2026)**
 School of Social Work, The University of Texas at Austin
- 2025 **W. Parker Frisbie Outstanding Publication Award**
 Population Research Center, The University of Texas at Austin
- 2024 – **Graduate School Recruitment Fellowship**
- 2025 The Graduate School, The University of Texas at Austin
- 2023 **APPAM Equity & Inclusion Student Fellowship**
 Association for Public Policy Analysis and Management (APPAM)
- 2022 **CRCG Conference and Travel Grants**
 Faculty of Social Sciences, The University of Hong Kong
- 2021 **Research Postgraduate Scholarship (2021-2024)**
 Graduate School, The University of Hong Kong
- 2020 **Dean's List, Faculty of Social Science**
 The Chinese University of Hong Kong
- 2019 **Overseas Academic Scholarship**
 The Chinese University of Hong Kong
- 2018 **Yasumoto International Scholarship**
 The Chinese University of Hong Kong

- 2017 **Social Service Award**
The Chinese University of Hong Kong
- 2017 **Dean's List, Faculty of Social Science**
The Chinese University of Hong Kong
- 2016 **S.H. Ho College Matriculation Scholarship**
The Chinese University of Hong Kong
- 2016 **Admission Full Scholarship (2016-2020)**
The Chinese University of Hong Kong
